

Sheila Chandra and the Ganges Orchestra

Pure Drones Volume I – III

"Arguably the perfect meditation music"

Tim Freke, Philosopher, Author and creator of The Mystery Experience

"What the world needs now is drones, sweet drones....", Love and peace,"

Jai Uttal

"I highly recommend the tracks for anyone looking for an energising yet unobtrusive accompaniment to (and mood setter for) their own reflective practices."

Rajan Rasaiah, Organisational Coach.

"I play these pure drones in the background as I work in the office -I find them relaxing"

Philip Loutsis, Client Manager, AWAL

Good to see this wonderful music back in the limelight! Wonderful for meditation and just simply chillin :o)

Elaine Thompson, Sound Therapy UK

"This is new age without being twee, its layered emotion without being draining, its entertaining and captivating whilst always being beautiful. I only listened once (and I am not stoned!) but I am sure there is loads more depth, light and shade to come in second and 3rd, 50th and 60th listens."

Rob Bozas, Music Publisher

"I have now tasted the pure drones and I love them. The sounds are amazingly evocative."

Simon Small, Author of Star Pilgrim

"Entered such a meditative state. I can see me using these for a lovely zone out of time/space or under stress to step out and relax and revive"

Debbie O'Shea Freke, Administrator

"I love the images - it's beautiful - and the sounds are just what I need for my yoga"

Shaila, Arizona, USA

"These drones are great I think every meditation, yoga, massage and spa center in the country, nay in the world - would love them ..."

Simon Dove, Artistic Director, New York

"...many thanks Steve, they are wonderful drones...."

Andrew Johnson, Glastonbury Natural Health Centre

"Thanks for letting me know about these drone albums - I've listened to the link and they would be perfect for me - I am determined to get in at the very least 15 minutes of meditation a day and even just listening to the excerpts made my breathing slow down."

Moira, Lytham St Annes, UK

Pure Drones Volume I – III

"I love drones and have listened to the drone samples, which sound fabulous, they fit in so much with the kriya yoga that I have been doing for 18 months now, in that their resonance and harmonics can be felt immediately within. But thank you also for bringing me back to Sheila Chandra, I have some of her music and use a little of it in school, it is lovely to have her brought back to me again."

*Anna, Yoga Teacher, Lytham St Annes,
UK*

"It [the attunement] began for me when the music started and I was surrounded by a cloud of white light"

Dorothy, Reiki Level I Course

"This sounds really interesting! I've had a listen, and I can understand why these drones would be good for relaxation"

Kitty Clark, Photographer, UK

"The music is very fitting for meditation and has a good uplifting tone."

Harold Hey, Lancashire

"I've just played the pure drones cd several times during my 'cocktail hour'. I find myself more relaxed, thank you -and my dog seems to have benefitted too!"

Christine, Wrea Green

"PURE DRONES" are the soundtrack to my relaxation!

Steve Coe

They are wonderful songs that I would like to welcome into my environment.

Paulo Piexoto

"Enjoyed listening to these, especially pure drone 5 which I found very hypnotic and relaxing."

Tim Knock, film maker/music producer

"I play Pure Drones as I drive to yoga classes and always find myself singing and chanting new melodies over them - they are really inspiring."

Jayne Morrisey, Yoga Teacher, UK

The "Pure Drones" are perfect for getting into the zone while painting
